

THE VILLAGE SHUL

Our new home on New End!

Our history -- with your support and contributions

- We started from nothing and now have a large, vibrant and active community
- We created a warm and inclusive environment where we can each engage with our Judaism at a level which we are comfortable
- Our Cheder is now in its third year and continues to grow, attracting children in five classes

Our future -- our new building in the heart of Hampstead 27 New End NW3 1JD

- Our own Shul with its unique atmosphere available for services at any time
- A lasting familiar space for our families, children and future generations
- A spiritual centre in the heart of the village
- Classrooms to house our Cheder and adult education
- The venue for our simchas, events and parties

The Village Shul is Your Shul!
